SINGAPORE

Day 1 | Arrival — Marina Bay Introduction

After check-in and rest, the evening begins with a gentle introduction to Singapore: the Cloud Forest and Flower Dome at Gardens by the Bay showcase indoor waterfalls and tropical ecosystems unlike anything else on earth. As night falls, the illuminated Supertree Grove light show creates a cinematic first impression. A peaceful stroll across the Marina Bay waterfront closes the evening — the skyline reflected in the water, the city alive with light.

The afternoon shifts into adventure: the Giant Swing, Mega Zip across Sentosa's coastline, or indoor skydiving at iFly Singapore — one of the world's largest indoor skydiving wind tunnels. Day 5 | Singapore Zoo, River Wonders, Bird Paradise & Night Safari

A full day of Singapore's most extraordinary wildlife experiences. Singapore Zoo's open rainforest habitats allow close encounters with exotic animals in natural environments — orangutans move through trees overhead, white tigers pace open plains, and African penguins occupy a dedicated island. River Wonders follows with giant pandas and immersive tropical river exhibits. After dinner, the legendary Night Safari: tram rides through illuminated jungle landscapes as nocturnal wildlife moves freely in the darkness around you.
