Overview

This cross-island masterpiece combines the classic historic icons of Zanzibar with the deep untamed marine canyons and clove forests of Pemba Island — the true hidden gem of the Zanzibar Archipelago. Designed for luxury travellers who want to experience the very best of both islands: from Stone Town's sultanate palaces and Jozani's endemic Red Colobus Monkeys to Pemba's world-famous Underwater Room at The Manta Resort — with glass bedroom windows looking directly into the living ocean — a Pemba Channel deep-sea wall walk alongside manta rays, and the pristine old-growth Ngezi Rainforest. The 200-year clove farming heritage of Pemba, which makes it one of the world's most aromatic islands, is explored through an exclusive private community encounter.
